

# CCPO OPERATOR TESTIMONIAL

## CONTRACT COMPLIANCE PROFIT OPTIMIZER

### CCPO - EXTREMELY PLEASED WITH OUR DECISION.

“We currently use the system to track rebates and spot check pricing. The system has delivered incremental vendor purchase and sales rebates on existing sales of 40%. And, our ROI was within 6 months of system implementation. We are extremely pleased with our decision to purchase the Trackmax system.”

*Martha Bader, Director, Food & Beverage Procurement*
